kind consideration an application from
Pandit Nandeeswara Deekshit, Agamik
of his office praying for the usual
remuneration for the compilation of
the Draft Calendar 1928. for reasons
explained therein.

A brief Eng. translation is
given in the margin of his application.

The Agamik represents that.
Govt. calls for the draft Calendars by the
end of September every year. The
required materials for the compilation
are not then available as panchangam
are published several months later.

He had to pay and get advance copies
of these from two or three places. The
remuneration usually granted is
spent on this account. As he has
already spent his own money anticipating
the remuneration, he prays that the
same may be paid to him at least
for last year.
